

# AMBASSADORS OF CHRIST

Youth Conference 2019

Every year Beth Shalom youth fellowship organizes youth conference with a mission to help young people grow spiritually and live a healthy christian life by teaching them core doctrines and principles of the christian faith, building relationships to nurture them and motivate them with a passion for Christ to prepare them for service and leadership.

This year the conference was organized for three days starting from October 25 - 28, 2019 in Pokhara. The theme of the conference was **Ambassadors of Christ (2 Corinthians 5:20)**. The main speaker of the conference was Pastor Blessen Cherian. We had a privilege to hear from other speakers as well. Associate Pastor Rani Korah, Sunil Korah, Pastor Dev K. Chhetri, Pastor John Punalur, Pastor David Rai, & Pastor Ruben Pakhrin.

The core sessions of conference were about what it's like to be an ambassador of Christ. We looked at how one life can make an impact to the rest of the world by letting them know about Jesus. All the sessions were challenging and igniting and many young people committed their life for the service and ministry of the God. This was an amazing moment.

Everybody felt the strong presence of God's spirit throughout the conference.

The worship was led by our team and it was an amazing time singing songs together in one accord and worshipping together to one living God in the same spirit.

We had a time of group discussion where we discussed about church expectations toward youth, youth's expectations towards church, and how church and youth both working together.

There were some extra activities like performances and games. Everybody was talented. The noticeable was 14 years old

brother, Simon Tiwari, who's been gifted with beautiful vocals. Praise God.

The total participants of the conference was around 380 youth. It is good to see the number of young people growing and at the same time it is challenging how we prepare these young life to be a gospel that world to see Christ in them.

We want to thank all of you who prayed and supported our 9th Youth Conference. It would not have been possible without the generous support from you.
